UNPACKING Y/OUR SUSTAINABILITY POTENTIAL

As **Hybrid Packaging Supplier®**, we pursue our sustainability vision from the very beginning, by **conceiving, designing, and branding our solutions** to optimize the balance between **maximum performance and minimal environmental impact**.

OUR SUSTAINABILITY PURPOSE

We believe the perfect package is about more than just protecting and preserving the product inside. It's about differentiating from the competition, standing out on the shelf and online, creating an effective and memorable user experience, and equally as important, protecting and preserving the environment for generations to come.

OUR SUSTAINABILITY VISION

At Berlin Packaging, we aim to be an industry-leading provider of sustainable packaging products and services.

OUR SUSTAINABILITY APPROACH: THE C.O.R.E. MODEL

Our sustainable packaging strategy revolves around three principles: circularity, optimization, and refill and reuse. By advancing innovation in these key areas, we develop industry-leading sustainable packaging solutions for our customers.

C

CIRCULARITY

- Recyclability
- Recycled content
- Strategic sourcing and stock solutions
- Material innovation and discovery

OPTIMIZATION

- Lightweighting
- Packaging and product efficiency
- Value analysis / Value engineering
- Local manufacturing

R

REUSE & REFILL

- In-house, on-the-go and in-store refill systems
- Reuse & refill system design and implementation

e

ENVIRONMENTAL SERVICES

- Sustainability strategy roadmapping
- Consumer and market insights
- Quantitative assessments
- Custom design & product innovation
- Sustainability education and communications

ENVIRONMENTAL SERVICES

SUSTAINABILITY EDUCATION & COMMUNICATION

We train our customers to capture and retain value, and help them write substantiated and quantifiable sustainability claims.

CUSTOM DESIGN & PRODUCT INNOVATION

We develop bespoke sustainable products with our in-house design engine Studio One Eleven, leveraging on our global network of partner.

QUANTITATIVE ASSESSMENTS

We measure and compare the environmental impact of packaging to guide decision-making, and we assess product recyclability criteria.

CONSUMER & MARKET INSIGHTS

We identify sustainability drivers and provide insights and update that drive changes.

SUSTAINABILITY & STRATEGY ROAD MAPPING

We support our customers in defining their product sustainability strategy and build comprehensive circularity roadmaps for their projects.

We are committed to **leading the future of sustainable packaging**. As a company, we are dedicated to **driving positive impact for our people and our planet**. Our **ESG strategy focuses in fact on unpacking sustainability potential**, whether it be within our own company, for our customers, or with our supplier network and partners.

E NVIRONMENTAL

We will do our part to fight climate change by minimizing our environmental impact and offering sustainability-focused products and services to our customers across all end-use markets and geographies

S OCIAL

We pledge to promote a culture of sustainability throughout the packaging value chain, from our customers to our suppliers, within our teams, and in the local communities in which we operate.

G OVERNANCE

We strive to create sustainable growth by promoting the values of integrity and respect, and by earning trust with all our internal and external stakeholders alike.

the **INNOVATION**
ENGINE of
BERLIN PACKAGING

WHO WE ARE

We are a group of creative experts dedicated to sustain and strengthen Berlin Packaging as the one-stop-shop leader in the market. With over 60 professional designers, engineers and strategists across 8 locations in North America and EMEA, we come in when the level of innovation, complexity, and/or customization requires an out-of-the-box tailor-made approach to packaging.

WHAT WE DO

We create innovative design solutions working closely with all stakeholders involved, providing an advisory role from branding to final product creation that is offered to our customers as evidence of our commitment and partnership approach. The services we offer include:

- **Strategy & Insights**
- **Sustainability Consulting**
- **Brand & Graphic Design**
- **Product & Package Design**
- **Prototyping & Decoration**
- **Regulatory Guidance**
- **Engineering and Production Support**

HOW WE DO IT

We deliver the most effective result to each of our customers. Our business model maximizes the value chain of the entire product creation. Our capabilities, size, and independence from any material or production process ensure us the freedom to always look for the best.

DELIVERING PRACTICAL CREATIVITY TO SERVE YOUR BRAND

CUSTOMIZING OUR EXCLUSIVE MODELS FOR YOUR BRAND

Our patented models offer room for personalization, making each product distinct without needing significant investment or extended timeframes. We specialize in embossing and debossing, elaborate pattern development, custom neck finishes, and base alterations. We allow our customers to test the market with one of our available, exclusive models and grow with them until they are ready to customize the bottle, supporting them in on-brand packaging realization.

PIONEERING COMPLEX 3D DEVELOPMENT AND ENGINEERING

Often brands have a design vision that pushes convention and tests the boundaries of what is possible. We assist by leveraging our engineering skills and industry knowledge to bring these concepts to life. Our diverse design team and deep industrial process understanding help clients launch disruptive packaging innovations.

FROM SCRATCH CREATIVITY

We collaborate with clients to design entirely new packaging, beginning with a market insights and project goals. We transform concepts into reality through creative exploration, 3D modeling, prototyping, and production using cutting-edge technology. Our expertise extends to customized closures and complementary packaging components, reflecting our dedication to crafting outstanding packaging in true partnership with clients.

LET'S DEVELOP YOUR PACKAGING TOGETHER

We would love to help you develop your project. We are a partner in packaging solutions, offering a wide range of bottles, jars, closures, as well as decoration and other value – added services.

BERLIN PACKAGING: OUR COMPANY AROUND THE WORLD

With **100+** years in the packaging industry and a global network of suppliers and warehouses, we provide amazing packaging to customers.
