YOUR SUSTAINABLE CHOICE

Aurelia is designed for wineries that care for sustainability. A carbon reduced and compensated bottle, manufactured in a facility powered by fuel produced from renewable sources and certified by Ecopower. Residual CO_2 emissions have been compensated in partnership with Climate Partner. Aurelia is the perfect bottle for organic and biodynamic wines

IT Aurelia è pensata per le aziende vinicole attente alla sostenibilità. Una bottiglia a emissioni ridotte e compensate, prodotta in uno stabilimento alimentato da combustibile prodotto da fonti rinnovabili e certificato da Ecopower. Le emissioni residue di CO_2 sono state compensate in collaborazione con Climate Partner. Aurelia è la bottiglia perfetta per i vini biologici e biodinamici.

FR Aurelia est conçue pour les établissements vinicoles soucieux de la durabilité. Une bouteille à réduction et compensation en carbone, fabriquée dans une usine alimentée par du carburant produit à partir de sources renouvelables et certifiée par Ecopower. Les émissions résiduelles de CO_2 ont été quant à elles compensées en partenariat avec Climate Partner. Aurelia est la bouteille parfaite pour les vins biologiques et biodynamiques.

ES Aurelia está diseñada para bodegas que se preocupan por la sostenibilidad. Una botella de carbono reducido y compensado, fabricada en una instalación alimentada por combustible producido a partir de fuentes renovables y certificada por Ecopower. Las emisiones residuales de CO_2 se han compensado en colaboración con Climate Partner. Aurelia es la botella perfecta para los vinos ecológicos y biodinámicos.

EN The bottles from the Selection line represent our best expression of quality and innovation. Each design has highly distinctive details that bestow exclusivity on the product.Allow yourself to be impressed by the mouths that recall tradition, the accentuated punts and unprecedented shapes, exalted by the use of different colours – extra-flint glass, champagne green and ancient green.

FR Les bouteilles de la ligne Selection représentent notre meilleure expression de qualité et d'innovation. Chaque design présente des détails remarquablement singuliers qui donnent au produit son caractère exclusif. Laissez-vous surprendre par les bagues qui rappellent la tradition, par les piqûres accentuées et par les formes inédites, exaltées par l'utilisation de différentes couleurs - vert extra flint, champagne green et vert ancien.

IT Le bottiglie della linea Selection rappresentano la nostra migliore espressione di qualità e innovazione. Ogni design presenta dettagli fortemente distintivi che conferiscono esclusività al prodotto. Lasciatevi stupire dalle bocche che richiamano alla tradizione, dalle picure accentuate e dalle forme inedite, esaltate dall'utilizzo dei colori in diverse varianti – vetro extra flint, champagne green e verde antico.

ES Las botellas de la línea Selection representan nuestra mejor expresión de calidad e innovación. Cada diseño presenta detalles con un claro distintivo que confieren exclusividad al producto. Dejaos sorprender por las bocas que evocan la tradición, con picure acentuadas y formas inéditas, exaltadas por el uso de los colores en diversas variantes: vidrio extra flint, champán verde y verde antiguo.

UNPACKING Y/OUR SUSTAINABILITY POTENTIAL

As **Hybrid Packaging Supplier®,** we pursue our sustainability vision from the very beginning, by **conceiving, designing, and branding our solutions** to optimize the balance between **maximum performance and minimal environmental impact.**

OUR SUSTAINABILITY VISION

At Berlin Packaging, we aim to be an industry-leading provider of sustainable packaging products and services.

OUR SUSTAINABILITY PURPOSE

We believe the perfect package is about more than just protecting and preserving the product inside. It's about differentiating from the competition, standing out on the shelf and online, creating an effective and memorable user experience, and equally as important, protecting and preserving the environment for generations to come.

OUR SUSTAINABILITY APPROACH: THE C.O.R.E. MODEL

Our sustainable packaging strategy revolves around three principles: circularity, optimization, and refill and reuse. By advancing innovation in these key areas, we develop industry-leading sustainable packaging solutions for our customers.

CIRCULARITY

- Recyclability
- Recycled content
- Strategic sourcing and stock solutions
- Material innovation and discovery

OPTIMIZATION

- Lightweighting
- Packaging and product efficiency
- Value analysis / Value engineering
- Local manufacturing

REUSE & REFILL

- In-house, on-the-go and in-store refill systems
- Reuse & refill system design and implementation

ENVIRONMENTAL SERVICES

- Sustainability strategy roadmapping
- Consumer and market insights
- Quantitative assessments
- Custom design & product innovation
- Sustainability education and communications

ENVIRONMENTAL SERVICES

SUSTAINABILITY EDUCATION AND COMMUNICATIONS

we train our customers to capture and retain value, and help them write substantiated and quantifiable sustainability claims.

SUSTAINABILITY STRATEGY ROADMAPPING

we support our customers in defining their product sustainability strategy and build comprehensive circularity roadmaps for their projects.

CUSTOM DESIGN AND PRODUCT INNOVATION

we develop bespoke sustainable products with our in-house design engine Studio One Eleven, leveraging on our global network of partners.

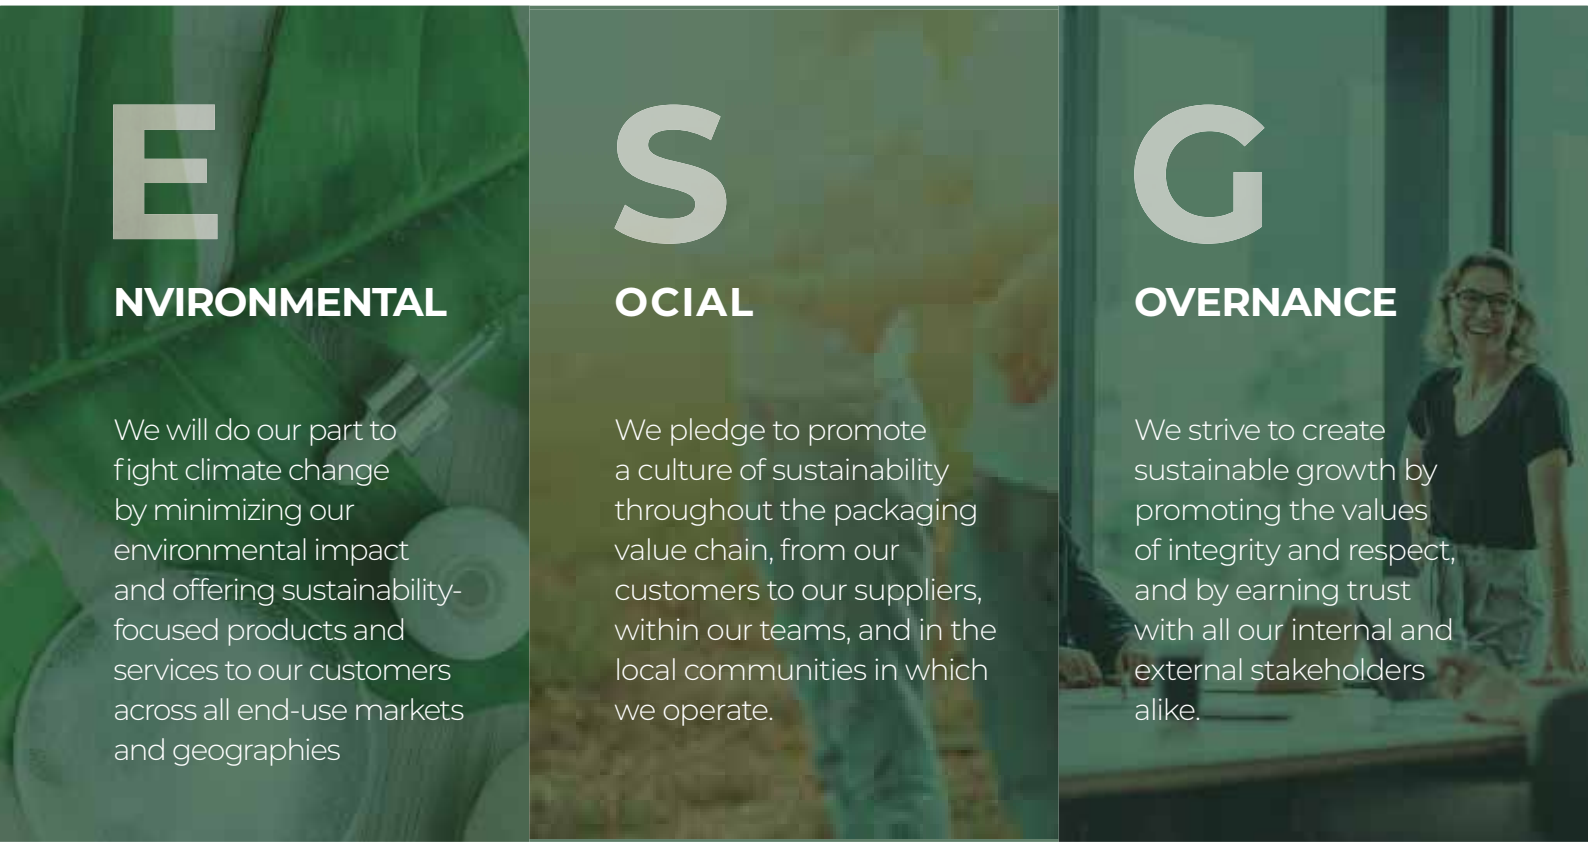
CONSUMER AND MARKET INSIGHTS

we identify sustainability drivers and provide insights and updates that drive change.

QUANTITATIVE ASSESSMENTS

we measure and compare the environmental impact of packaging to guide decision-making, and we assess product recyclability criteria.

We are committed to **leading the future of sustainable packaging.** As a company, we are dedicated to **driving positive impact for our people and our planet. Our ESG strategy focuses in fact on unpacking sustainability potential,** whether it be within our own company, for our customers, or with our supplier network and partners.



ENVIRONMENTAL

We will do our part to fight climate change by minimizing our environmental impact and offering sustainability-focused products and services to our customers across all end-use markets and geographies

SOCIAL

We pledge to promote a culture of sustainability throughout the packaging value chain, from our customers to our suppliers, within our teams, and in the local communities in which we operate.

GOVERNANCE

We strive to create sustainable growth by promoting the values of integrity and respect, and by earning trust with all our internal and external stakeholders alike.

STUDIO 111

the INNOVATION ENGINE of BERLIN PACKAGING

WHO WE ARE

We are a group of creative experts dedicated to sustain and strengthen Berlin Packaging as the one-stop-shop leader in the market. With over 60 professional designers, engineers and strategist across 8 locations in North America and EMEA, we come in when the level of innovation, complexity, and/or customization requires an out-of-thebox tailor-made approach to packaging.

WHAT WE DO

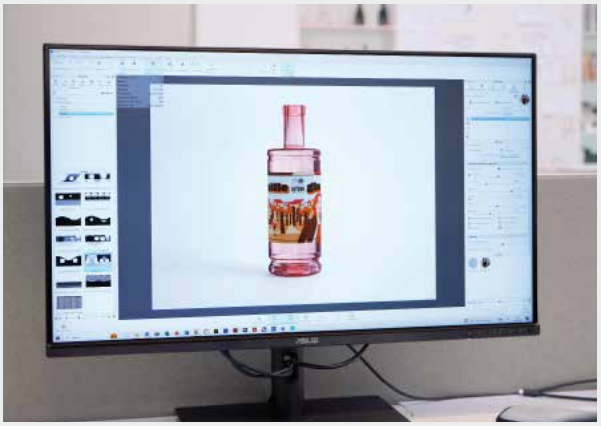
We create innovative design solutions working closely with all stakeholders involved, providing an advisory role from branding to final product creation that is offered to our customers as evidence of our commitment and partnership approach. The services we offer include:

- **Strategy & Insights**
- **Sustainability Consulting**
- **Brand & Graphic Design**
- **Product & Package Design**
- **Prototyping & Decoration**
- **Regulatory Guidance**
- **Engineering & Production Support**

HOW WE DO IT

We deliver the most effective result to each of our customers.

Our business model maximizes the value chain of the entire product creation. Our capabilities, size, and independence from any material or production process ensure us the freedom to always look for the best.



DELIVERING PRACTICAL CREATIVITY TO SERVE YOUR WINE BRAND

CUSTOMIZING OUR EXCLUSIVE MODELS FOR YOUR BRAND

Our patented models offer room for personalization, making each product distinct without needing significant investment or extended timeframes. We specialize in embossing and debossing, elaborate pattern development, custom neck finishes, and base alterations. We allow our customers to test the market with one of our available, exclusive models and grow with them until they are ready to customize the bottle, supporting them in on-brand packaging realization.

PIONEERING COMPLEX 3D DEVELOPMENT AND ENGINEERING

Often brands have a design vision that pushes convention and tests the boundaries of what is possible. We assist by leveraging our engineering skills and industry knowledge to bring these concepts to life. Our diverse design team and deep industrial process understanding help clients launch disruptive packaging innovations.

FROM SCRATCH CREATIVITY

We collaborate with clients to design entirely new packaging, beginning with a market insights and project goals. We transform concepts into reality through creative exploration, 3D modeling, prototyping, and production using cutting-edge technology. Our expertise extends to customized closures and complementary packaging components, reflecting our dedication to crafting outstanding packaging in true partnership with clients.

BERLIN PACKAGING:
OUR COMPANY AROUND THE WORLD

With **100+** years in the packaging industry and a global network of suppliers and warehouses, we provide amazing packaging to customers.

LET'S DEVELOP YOUR PACKAGING TOGETHER

We would love to help you develop your project. We are a partner in packaging solutions, offering a wide range of bottles, jars, closures, as well as decoration and other value – added services.
