# CASSIA EVO

## *The elevation of the Bordelais design*

Sharp, clean lines create an elegant profile that leaves no room for doubt. Cassia develops the concept of the high-shouldered Bordelais model, drawing a statuesque silhouette that combines perfectly with full-bodied, fine red wines. The pronounced punt in the bottom seeks to be an aesthetic evolution in line with the external form.

## THE BEST CLOSURES FOR YOUR PRODUCT

**CORK STOPPER**  
SYNTHETIC OR NATURAL
